

Balkan Ruby

25 – 26 May 2018

Sofia, Bulgaria

About the conference

Balkan Ruby is a brand new conference, dedicated to Ruby and satellite technologies.

We aim to introduce the local communities to each other and invite companies and developers from all over Europe to visit the Balkan region, learn new technologies and share ideas with us.

We expect about 150 attendees from all around Europe, the majority of whom are Ruby and JavaScript developers.

Date and Location

Balkan Ruby will be held on **25th and 26th of May 2018** in **Generator Sofia**.

FAQ

Do I have to provide the banners and roll-up posters?

In packages that include banners and handouts, our team will be handling everything regarding the banner material (printing, setup). Of course, we expect you to provide for the artwork (logos, graphics, etc.) that may be needed. The cost of the banners is included in the package price.

Do I have to provide my own stand for the sponsors hall?

The exhibit space is a large table (2×2m), provided by us.

Do the prices include VAT?

The prices do not include VAT, which will be added where applicable.

Do you have any other sponsorship options?

We will make sure you get the best out of your investment, so we are open to discuss other opportunities and bespoke packages.
